

The Church of the Messiah's
Good News
July 1, 2018

Welcome to the Church of the Messiah
We are delighted to have you worshipping with us.

For our Country

Almighty God, who hast given us this good land for our heritage: We humbly beseech thee that we may always prove ourselves a people mindful of thy favor and glad to do thy will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way. Defend our liberties, and fashion into one united people the multitudes who have come hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in thy Name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to thy law, we may show forth thy praise among the nations of the earth. In the time of prosperity, fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in thee to fail; all which we ask through Jesus Christ our Lord. *Amen.*

WOODS HOLE INSIGHT MEDITATION GROUP: Mondays, 3- 4 PM in the Stone Church

The weekly insight meditation group that meets on Mondays from 3- 4 PM is now gathering at the entrance to the Stone Church in the newly created open space. The group is open to any and all in the community. The format includes 10 minutes of introductions, 30 minutes of sitting, time for questions, a closing loving kindness meditation for 10 minutes and an opportunity for people to gather informally afterwards. On occasion, we have a half hour discussion on meditation practice after our sitting for anyone who wishes to attend. Our leaders include several people who are experienced meditators and have done some teaching. I welcome this opportunity to continue to open our doors to people in the parish and community who wish to spend quiet time together at the beginning of the week. Please speak with me if you have any questions. –

FIRST CHURCH BUILDING COMMITTEE UPDATE

In an effort to keep everyone informed of our progress on the First Church Building Project, here is the latest update:

- Tree work continues on the north side of the building, in preparation for the small parking lot which will be used as a staging area for the project;
- Fencing has been put up around the entire site, along with appropriate signage, in order to insure the safety of the public and the workers during this project.
- The demolition and septic permits have been issued allowing work on the front and rear of the building to get started as well as some demolition to begin in the interior of the building.
- The final building permit is in process and we anticipate it will be issued within the next couple of weeks.
- The Interior committee met with Jim Vieira and Lou Ann Burgess on June 21st to review kitchen items. Recommendations were made for the cabinets, countertops, sinks, faucets, appliances and flooring in the kitchen and kitchenette. The FCBC will receive these recommendations at their next meeting on Thursday, July 19th.

If you have any questions, please contact me: mtscapecod@gmail.com.

Thanks for your ongoing support!

NEW PARISH AND COMMUNITY CENTER - *Capital Campaign Update*

Our original fundraising goal was \$1.55 million with a stretch goal of \$1.7 million. To date we have raised approximately \$1.8 million. Escalating labor and material prices have pushed up substantially the cost of the project. The pre-project costs plus the actual contracts total about \$2.3 million. That is now our revised campaign target. If we could reach \$2.5 million we could avoid borrowing to fund the remaining elements of the hardscape, landscape, and furnishings.

While the permitting process has taken longer than we had hoped, we still expect prime contractor Delphi to complete the project by early February, 2019. Terry Soares and the First Church Building Committee, and Clerk of the Works Jim Vieira are doing a splendid job managing the myriad details and processes that are necessary to move the project forward.

We will continue with active fundraising through this year and into the next. We have sent out reminder notices on pledges. Any donors able to prepay pledges will reduce bridge finance during construction. We continue to develop our campaign outreach to the community, foundations and grant sources. Commencement of work on the site and building promises to generate a new level of interest, excitement and support!

We welcome your questions and suggestions. We are deeply grateful to all who are supporting this project; a project central to effective service to the parish and providing new opportunities to the wider community.

Make room at the Inn for U.S. Citizens Impacted by Disaster

Joint Statement from the Bishops of the Episcopal Church in the Commonwealth of Massachusetts

June 6, 2018

Today one hundred displaced American citizens from Puerto Rico are heading to Capitol Hill. These families have been living in local hotels since the devastation of Hurricane Maria in 2017. FEMA has refused to activate DHAP – the Disaster Housing Assistance Program – for the Puerto Rican victims of this natural disaster. [As citizens of the United States](#), those who have fled the island of Puerto Rico should have the same assistance as a citizen of the 50 states. Instead, these families are getting phone calls from FEMA encouraging them to return to Puerto Rico. They will lose their hotel housing on June 30, 2018. Without the activation of DHAP from FEMA, these families will be homeless in 25 days. With concerned citizens and people of faith, we ask, “why?” Why are these citizens receiving a different level of care and support?

We have learned that Massachusetts has the second highest number of displaced Puerto Rican families – Florida is number one. In fact Hampden County is ranked 7th in U.S. counties serving the needs of Puerto Rican families impacted by the storm. These are our neighbors. They worship in our congregations. These children attend our schools. With FEMA’s refusal to activate DHAP, they have no recourse but to turn to our legislators for help before their hotel housing runs out.

Tomorrow one hundred Puerto Rican Americans will stand for all those who found shelter here after the storm. They will meet with senators and members of Congress who have sponsored two bills which would activate DHAP immediately. These bills, if passed, will give them a long-term housing pathway from hotel to apartment. Housing is the key to recovery for these families - to having the ability to get a driver’s license and get a stable job. DHAP is the means by which these families might return to economic independence.

On June 30 thousands of people will become homeless because of FEMA’s inaction. More importantly, U.S. citizens have the right to self-determination, to live where they wish, to begin again after disaster and devastation. The governor of Puerto Rico has advocated that DHAP be activated immediately, but FEMA has refused. It is our hope that concerned citizens will use their voices, phones and social media to stand with Puerto Rican citizens. It is only by standing with one another that we can bear the weight of life’s tragedies and be witnesses for the new life that will emerge from the dust.

No American family should become homeless because of a hurricane, a wildfire or a tornado. These Puerto Rican families are our sisters and brothers, our fellow Americans. May we extend to them the hospitality and care we would have given to another homeless family two thousand years ago. As these one hundred citizens knock on the doors of power, may they be given hope and the commitment of our resources. And may we, as Episcopalians, bring their concerns to our prayer and advocacy. May we embody the love Presiding Bishop Curry preaches – the love of Jesus Christ.

NOTE: THERE WILL BE A GATHERING ON FALMOUTH GREEN ON SATURDAY, JUNE 30TH AT 11 AM in support of those families who have entered the United States without proper paperwork and, in many cases, have been separated from their young children and teenagers.

Presiding Bishop Michael Curry Joins Other Faith Leaders in a Statement on Family Separation at Our Borders 2018-06-13 | The Office of Government Relations of the Episcopal Church

Recently, the Administration announced that it will begin separating families and criminally prosecuting all people who enter the U.S. without previous authorization. As religious leaders representing diverse faith perspectives, united in our concern for the wellbeing of vulnerable migrants who cross our borders fleeing from danger and threats to their lives, we are deeply disappointed and pained to hear this news.

We affirm the family as a foundational societal structure to support human community and understand the household as an estate blessed by God. The security of the family provides critical mental, physical and emotional support to the development and wellbeing of children. Our congregations and agencies serve many migrant families that have recently arrived in the United States. Leaving their communities is often the only option they have to provide safety for their children and protect them from harm. Tearing children away from parents who have made a dangerous journey to provide a safe and sufficient life for them is unnecessarily cruel and detrimental to the well-being of parents and children.

As we continue to serve and love our neighbor, we pray for the children and families that will suffer due to this policy and urge the Administration to stop their policy of separating families.

DISASTER PLANNING TEAM UPDATE

Church of the Messiah’s **Disaster Planning team** is at work putting together our disaster pastoral care program. In Fisher House, the map of our community is up and we hope every parishioner can fill out a tab and put their family name on it and place it at their location so we can complete the neighborhood groups. After we collate the questionnaires, we will finalize our notification system for such events as power outages, or when snow, ice or other weather condition cause services to be cancelled. Please confirm with the office that we have your LOCAL address that we can include in our map as there are over 60 parishioners that only have an out of area address in our files. Your information will be confidential and extremely important as we identify ways to support each other. If you can help, please contact Dicky Allison (508-274-2935, mallison@whoi.edu). Thanks very much!
