*may the tide
that is entering even now
the lip of our understanding
carry you out
beyond the face of fear
may you kiss
the wind then turn from it
certain that it will
love your back may you
open your eyes to water
water waving forever
and may you in your innocence
sail through this to that*

A PRAYER FOR OUR FUTURE

As our capital campaign continues, we invite you to join together in praying the following prayer that was composed by members of the parish and the rector.

O God, Giver of all good gifts.
We thank You for the grace of serving You by serving our neighbors.
May our hearts be kind and generous.
May our ministry be rooted in love and bold in imagination.
In transforming the Parish and Community Center, may our lives,
and the lives of all who join us, be renewed by Your love and the
power of the Spirit. Amen.

SUGGESTIONS OR QUESTIONS RE: OUR NEW SPACE

Since opening our Parish and Community Center, a number of suggestions have been made or questions raised to me. In order to be responsive to these in an appropriate manner, please write these down on the clipboard which is on the counter in the upstairs kitchen or the clipboard by the alcove outside the downstairs kitchen. By following this procedure we can be responsive to your questions or suggestions in a timely manner.

Thanks very much for taking the time to help us as we all settle into our new home and space. *DMW*

NEW PARISH AND COMMUNITY CENTER - *Capital Campaign Update*

The Easter reception in the new Center represented the first public event hosted in the transformed First Church. To record the beauty of the building -- especially the Woods Hole Room, dressed in its butterfly themed elegance and the celebration and Blessing of the Building with Bishop Gates – and to capture a sense of community response to the Center, we commissioned Brian Switzer to create for us another short video.

This is now available for streaming at our website: www.churchofthemessiahwoodshole.org

While contributions continue to come in, they have not been sufficient to move us substantially above the \$2.2 million shown on our graphic in front of the Center. With the building's completion, we are planning a renewed push to engage our summer community in the remarkable transformation of the building and encourage their help in closing the remaining funding gap.

As always, we welcome your questions and suggestions. We are deeply grateful to all who are supporting this project that is central to effective service to the parish and to providing new opportunities to the wider community.

PARISH AND COMMUNITY CENTER UPDATE

The final piece of our building project has been completed with the installation of the landscape around our new Parish Community Center. The landscape around the building is simple to match the simple beauty of our new building: minimal foundation shrubs, flowering shrubs along the parking lot to soften the transition from the pavement to the bed/lawn areas. Lawn will be installed in front and under the beech tree, which we anticipate will revert to moss over time. We wanted the landscape to be as environmentally friendly as possible: to that end the steep slope off the parking lot down to the Steamship parking lot will be seeded with a no mow fescue grass seed mix. The plant material chosen for the slope of a mix of all native shrubs and trees - River birch, Bayberry, Clethra and Inkberry. These were all chosen for their ability to adapt to our site as well as promote pollinator species of bees, butterflies and birds. We can't wait for everyone to be able to gather and enjoy our new patio and seating area outside!

I will be looking for volunteers to help with watering/weeding our new plantings for the summer! If interested, please get in touch with me at mtscape@gmail.com.

The Fresh Start Program provides school age children with a complete set of new clothing, a gift card towards a new pair of shoes, and a backpack filled with school supplies to start the new school year.

Do you remember...

- The first day of school?
- Your new outfit?
- How good you felt?

Fresh Start was introduced to the Falmouth Service Center in 2005 by Kathy Hall of East Falmouth. After hearing of a similar program in Connecticut, she spearheaded a committee to bring this program to Falmouth through the Falmouth Service Center. In Fresh Start's first year, 57 children were outfitted and received a backpack filled with school supplies. This past school year, we were able to assist 301 Falmouth children.

Without The Fresh Start Program, the children YOU sponsor would not experience this excitement.

How can I help to support The Fresh Start Program?

- **Sponsor a Child**
Call 508-548-2794 to sponsor a child
Encourage your faith community, school or community group, or employer to sponsor a child
- **Buy a Backpack (or two)**
- **Buy School Supplies**
- **Volunteer Your Time**
- **Make a Cash Donation Towards The Fresh Start Program**

We wish we could share the joy we see when families pick up their backpacks and school clothes in August. This year, when you see those school buses in September, give yourself a hug. A child on that bus is a recipient of Fresh Start!
