GOOD NEWS Week of June 3, 2018

Dear (Contact First Name),

For many, this was the first time they had ever heard the Presiding Bishop, the Most Rev. Michael Curry, preach. And preach he did with a prophet's voice and pastor's open heart. Bishop Curry's cadence and caring were as towering as the chapel itself.

So was his courage. It dared to call both a couple about to wed to love and a world to love. Like ancient and modern prophets before him, he painted a portrait of a world where all are invited to speak and listen; to feast and fight for justice. A world where right will finally triumph over wrong. A world where blessing abounds.

May we hear his words in our heart so they can live in our actions now and going forward.

Gratefully,

Deborah

An excerpt from the Presiding Bishop, The Most Rev. Michael B. Curry's sermon at the recent Royal Wedding on Saturday, May 19th at St. George's Chapel in Windsor Castle

Imagine our homes and families where love is the way. Imagine neighborhoods and communities where love is the way.

Imagine governments and nations where love is the way. Imagine business and commerce where this love is the way.

- Believing we are called to be stewards of creation.

Adopted by the Vestry of the Church of the Messiah
on February 10, 2015.

A PRAYER FOR OUR FUTURE

As our capital campaign gets underway, we invite you to join together in praying the following prayer that was composed by members of the parish and the rector.

O God, Giver of all good gifts.
We thank You for the grace of serving You by serving our neighbors.
May our hearts be kind and generous.
May our ministry be rooted in love and bold in imagination.
In transforming the First Church, renew our lives and all who join us so
the community may be changed by Your love and the power of the Spirit. Amen

CELEBRATION OF LIFE - Susan L. MacKenzie, Sunday, June 3, 2:00 pm

A Celebration of Life for Susan L. MacKenzie, who passed on December 16, 2017, will be held Sunday, June 3, 2018. Please join Susan's family for a service in the Church of the Messiah Cemetery, beginning at 2:00 pm. A reception at the Falmouth Church of the Nazarene, 292 Brick Kiln Rd., Teaticket will follow the service. The family cordially invites all to attend both events.

OUR OFFICES HAVE MOVED...DOWNSTAIRS.

As the new owner of Fisher House prepares to begin renovations of what was our former office space, we have moved to the lower level of Fisher House until renovations of the First Church are completed. To find us, come around the back of the building from the kitchen end and come to the double doors under the far end of the deck.

THANKS TO OUR VOLUNTEERS AT THE WOODS HOLE MAY FESTIVAL

In the midst of all the other things going on at Messiah this month, we are deeply appreciative to those members who will be helping at our booth at the Woods Hole May Festival on Saturday, May 26th. Our quiet activity was greatly appreciated by children and adults alike. Thanks very much!

OUTREACH NEWS. Supporting the Falmouth Service Center

Joan Stephenson is coordinating weekly contributions to the Falmouth Service Center. They get food from the Boston Food Bank and food drives, but there are other basic items they do not receive through donations. On Sunday, June 3rd and Sunday, June 10th **toilet paper** will be collected. Look for the basket by the entrance to the church. Joan is also making arrangements for delivering the donations. Please contact Joan Stephenson with any questions. Thank you!

DISASTER PLANNING TEAM UPDATE

Church of the Messiah's **Disaster Planning team** is at work putting together our disaster pastoral care program. In Fisher House, the map of our community is up and we hope every parishioner can fill out a tab and put their family name on it and place it at their location so we can complete the neighborhood groups.

After we collate the questionnaires, we will

finalize our notification system for such events as power outages, or when snow, ice or other weather

Imagine this tired old world where love is the way. When love is the way - unselfish, sacrificial, redemptive.

When love is the way, then no child will go to bed hungry in this world ever again.

When love is the way, we will let justice roll down like a mighty stream and righteousness like an ever-flowing brook.

When love is the way, poverty will become history. When love is the way, the earth will be a sanctuary.

When love is the way, we will lay down our swords and shields, down by the riverside, to study war no more.

When love is the way, there's plenty good room - plenty good room - for all of God's children.

"Because when love is the way, we actually treat each other, well... like we are actually family.

When love is the way, we know that God is the source of us all, and we are brothers and sisters, children of God.

~ The Most Rev. Michael B. Curry

Thank you,

confirmation will be cancelled. Please confirm with the office that we have your LOCAL address that we can include in our map as there are over 60 parishioners that only have an out of area address in our files. Your information will be confidential and extremely important as we identify ways to support each other. If you can help, please contact Dicky Allison (508-274-2935), mallison@woi.edu. Thanks very much!

NEW VOLUNTEERS WELCOME AT THE VILLAGE AT CATAUMET: Next Monthly Dinner, Wednesday, June 6, 2018, 5PM

We're serving dinner to our neighbors at the Village at Cataumet, the shelter for families, on the first Wednesday of every month. This is a continuing ministry and we always welcome new cooks and new servers. Look for a sign-up sheet in the back of the church on Sunday morning and join us. We are trying to show our neighbors that we care about their difficult situation. Help once a year or once a month - every contribution is welcome! If you would like to contribute or have questions, please contact Carol Casey (508-299-8330).

WOODS HOLE INSIGHT MEDITATION GROUP: Mondays, 3- 4 PM in the Stone Church

The weekly insight meditation group that meets on Mondays from 3- 4 PM is now gathering in the chancel of the Stone Church. The group is open to any and all in the community. The format includes 10 minutes of introductions, 35 minutes of sitting, time for questions, a closing loving kindness meditation for 10 minutes and an opportunity for people to gather informally afterwards. On occasion, we have a half hour discussion on meditation practice after our sitting for anyone who wishes to attend. Our leaders include several people who are experienced meditators and have done some teaching. I welcome this opportunity to continue to open our doors to people in the parish and community who wish to spend quiet time together at the beginning of the week. Please speak with me if you have any questions. - Deborah

FIRST CHURCH BUILDING COMMITTEE UPDATE

Within the next couple of weeks plans are underway to get the construction fencing installed and the First Church becomes a construction site. I know the effort, time and energy that have been put into the planning process of the First Church renovation will all be worth it when we move across the street in November. In the meantime - lots of behind the scenes work is being done:

Jim Vieira is now the Clerk of the Works for our project and will be submitting weekly reports on progress and upcoming work. These updates will be shared in *Good News* so everyone can share in the progress. An Interior Design sub-committee has been formed - thank you to Warfield Truesdale and Mary Heard for offering to help. They will be meeting with Jim Vieira to review choices for interior finishes.

As construction begins; the first project to be done will be the site work for the new septic system and parking areas. Great care has been taken to minimize the damage to the largest Beech tree that will remain on site as part of the landscape. An arborist was hired to assess the trees health, form a safety plan of fencing to protect the tree during construction as well as a maintenance program of deep root feedings and watering as necessary. The Beech tree is an integral part of the landscape of the First Church and is important for us to preserve it.

iKitchens will be making a presentation on the kitchen early this summer - Date TBD.

Thank you to Peg Nicholson who has done a tremendous job going through the budget and making sure that we are on target with our estimated costs and campaign goals.

The FCBC met with Jim Vieira on Thursday, May 24th, at 4:30 p.m. to go over his reports. We will be meeting monthly once construction starts.

Any questions or comments about the project can be directed to Terry Soares mtscapecod@gmail.com

Thank you to everyone who has helped get us to this point! This would not be happening without this great team effort.

MUSIC ANNOUNCEMENTS:

NO NOONTUNES SUMMER CONCERT SERIES THIS YEAR:

Due to all the expected construction and excitement that will be taking place this summer, we have decided to take a break from Noontunes this year. But don't worry, it will be back in full force next summer! In the meantime, there will be a few musical events taking place. The first is a concert by the

Ensemble Passacaglia on Sunday, June 3rd at

3 p.m. They will present the program "Music to Our Ears" featuring Medieval, Renaissance and World Music for winds, strings and percussion. Then on **Friday, July 20th at 7:30 p.m., Courante**, an early music ensemble featuring Jan Elliot on recorder, David Gable on violin, Molly Johnston on Viola da Gamba and Brittany Lord on harpsichord, will present a program of early music by Bach, Telemann and others. In August, the **Woods Hole Cantata Consort** will hold their annual concerts on **August 18th and 19th**. Please mark your calendars and plan to join us for these special events!

BISHOP GATES TO VISIT MESSIAH ON SUNDAY, JUNE 24TH

We are delighted to have The Right Reverend Alan Gates, Bishop of Massachusetts, visiting us for the first time as diocesan bishop on Sunday, June 24th. Although he has been bishop for less than four years, Bishop Gates has won the affection and confidence of the clergy and laity of the diocese. Along with many others in the diocese - both clergy and laity - Bishop Gates has led the efforts to identify a Mission Strategy for the diocese for the coming three to five years. Please plan on being part of a warm welcome to Bishop Gates on the 24th of June.

NEW PARISH AND COMMUNITY CENTER

Capital Campaign Update

Our original fundraising goal was \$1.55 million with a stretch goal of \$1.7 million. To date we have raised approximately \$1.6 million. Escalating labor and material prices have pushed up substantially the cost of the project. The pre-project costs plus the actual contracts total about \$2.3 million. That is now our revised campaign target. If we could reach \$2.5 million we could avoid borrowing to fund the remaining elements of the hardscape, landscape, and furnishings.

While the permitting process has taken longer than we had hoped, we still expect prime contractor Delphi to complete the project before Christmas 2018. Terry Soares and the First Church Building Committee, and Project Manager Jim Vieira are doing a splendid job managing the myriad details and processes that are necessary to move the project forward.

As to Fisher House, the sale was finalized on May 25th. All net proceeds of the sale have been added to the Church of the Messiah's endowment.

We will continue with active fundraising through this year and into the next. We will be sending out reminder notices on pledges. Any donors able to prepay pledges will reduce bridge finance during construction. We continue to develop our campaign outreach to the community, foundations and grant sources. Commencement of work on the site and building promises to generate a new level of interest, excitement and support!

We welcome your questions and suggestions. We are deeply grateful to all who are supporting this project; a project central to effective service to the parish and providing new opportunities to the wider community.
