O God, who created all peoples in your image, we thank you for the wonderful diversity of races and cultures in this world. ## **MORE THAN A MONTH OF THANK YOU'S, and THEN SOME**

As I have thought over the extraordinary list of activities we have hosted and/or been involved with since opening our Parish and Community, I know you share my deep gratefulness. On behalf of the vestry and others in parish and community thank you to:

- Those who helped to host the Epiphany School visit on Friday, May 10<sup>th</sup> ;
- Cooks and servers who continue to serve guests at the Village at Cataumet on the first Wednesday of the month;
- All who attend the weekly meditation group on Mondays from 3 – 4 PM;
- Sea Education Association for holding their Annual Meeting and reception in the Woods Hole Room on Sunday, June 23<sup>rd</sup>;
- The Woods Hole Cantata for using the Woods Hole Room for their rehearsal space on a weekly basis;
- All who helped celebrate the Blessing of the Parish and Community Center with Bishop Gates on Sunday, July 7<sup>th</sup>;
- Several families who have had business meetings or receptions for family celebrations of loved ones;
- The Tanglewood Marionettes who performed for children and adults alike on Wednesday, July 23<sup>rd</sup> and especially to Winnie Dick for making the connection to this special group;
- Annie Chalkley for so kindly and ably preparing a delicious luncheon for 45 + people after the final Noontunes, and serving it in the Woods Hole Room on July 31<sup>st</sup>;
- For the hosts of our summer refreshments;
- For Lucia Mock and her family as they hosted a fundraiser on Sunday, August 4<sup>th</sup> that lets us continue to support refugees served by the Nour Center in Beirut;
- For the Woods Hole School of Science and the Woods Hole Historical Museum both of whom held their Annual Meeting in the Woods Hole Room during the week of August 5<sup>th</sup> ;
- For all who helped with the special benefit concert given by David Lockwood on Wednesday, August 21<sup>st</sup>;
- And last, but not least, everyone who donated the more than 50 backpacks, lunch boxes and water bottles that are being distributed to students in Falmouth through the Fresh Start Program at the Falmouth Service Center.

All of this has been made possible because of your generous support in helping to transform our Parish and Community Center into the place of hospitality and welcome. It clearly has become this for any and all in the community of which we are a part.

Friends, just think....we are just getting started!!!

Gratefully~ *Deborah*

## **PARISH AND COMMUNITY CENTER UPDATE**

The final piece of our building project has been completed with the installation of the landscape around our new Parish Community Center. The landscape around the building is simple to match the simple beauty of our new building: minimal foundation shrubs, flowering shrubs along the parking lot to soften the transition from the pavement to the bed/lawn areas. Lawn will be installed in front and under the beech tree, which we anticipate will revert to moss over time. We wanted the landscape to be as environmentally friendly as possible: to that end the steep slope off the parking lot down to the Steamship parking lot will be seeded with a no mow fescue grass seed mix. The plant material chosen for the slope is a mix of all native shrubs and trees - River birch, Bayberry, Clethra and Inkberry. These were all chosen for their ability to adapt to our site as well as promote pollinator species of bees, butterflies and birds. We can't wait for everyone to be able to gather and enjoy our new patio and seating area outside!

I will be looking for volunteers to help with watering/weeding our new plantings for the summer! If interested, please get in touch with me at [mtscape@gmail.com](mailto:mtscape@gmail.com).

**NEW PARISH AND COMMUNITY CENTER - *Capital Campaign Update***

The spirit of the joyous gathering for Bishop Alan Gates's blessing and dedication of the Parish and Community Center on July 7<sup>th</sup> has been captured in a new two-minute video by Brian Switzer. The balcony of the new building provided a dramatic setting for the event, and the reception that followed in the Woods Hole Room was a festive occasion. This new video and several others are available for streaming at our website: [www.churchofthemessiahwoodshole.org](http://www.churchofthemessiahwoodshole.org)

While contributions continue to come in, they have not been sufficient to move us substantially above the \$2.2 million shown on our graphic in front of the Center. With the building's completion, we are working on a further outreach to engage our summer community in the remarkable transformation in the building and encourage their help in closing the remaining funding gap.

As always, we welcome your questions and suggestions. We are deeply grateful to all who are supporting this project that is central to effective service to the parish and to providing new opportunities to the wider community.
