

The Church of the Messiah's
Good News
January 31, 2021

Welcome to the Church of the Messiah
We are delighted to have you worshipping with us.

For those we love

Almighty God,
we entrust all dear to us
to your never-failing care and love,
for this life and, indeed, the life to come,
trusting that you, as the Creator,
are doing for all and each
better things than any can
desire, imagine or even pray for.
This we pray through Jesus Christ our Lord. Amen

Church of the Messiah

Mission Statement

The Church of the Messiah is an inclusive and welcoming community

- *Committed to serving God by serving neighbors near and far;*
- *Affirming the dignity of every human being;*
- *Believing we are called to be stewards of creation.*

- adopted by the Vestry of the Church of the Messiah on February 10, 2015.

ALL ARE WELCOME: A Word from the Rector and Wardens

As an Episcopal parish, our intention is to welcome any and all who come into our midst whether physically or virtually. In what can feel like uncertain and unsteady times, we are urgently encouraging everyone to be mindful of the importance that all people feel welcome and safe, regardless of who they are. Thanks very much for practicing this art of hospitality.

IMPORTANT NOTICE and UPDATE ON REGATHERING

At the vestry meeting on Monday, January 11, 2021, the sense of the vestry, in conversation with the rector, was to delay “in person” worship in the Stone Church until the beginning of June at the earliest.

While all of us recognize this may be disappointing for many people, we reached this very important decision based on the following considerations:

First and foremost, our primary goal is do all we can to ensure the health of anyone who comes to worship in person. Because a large portion of the congregation is over 60 and others have compromised immune systems, by current CDC guidelines, these individuals are at a higher risk to contract COVID-19. We did not want to put anyone’s health in jeopardy, nor have people feel obligated to attend “in person” worship.

Second, the present virtual service online streaming continues to have very positive results. People from across the country are able to attend the services either live or view them later on our website. Going forward, one piece of our “new normal” will be to continue to live stream our services even after we have “in person” worship so we include any and all who wish to attend, regardless of their location.

Third, in an effort to vary our worship experience, on the first Sunday of the month we will have a virtual communion service. What this means is the service will be a normal communion service, but at the time of the distribution of communion, no one will receive. Instead, we will all share in prayer that underscores our connection through the gift of God’s love as theologically represented in the bread and wine of the Eucharist. We will look forward to hearing people’s response to this service and making our decisions regarding offering a virtual communion service on occasion.

REGATHERING OVERSIGHT COMMITTEE

As required by the diocesan guidelines, a “Regathering Oversight Committee” has been formed and is meeting every other week. The members are: *Phil Alatalo, Dicky Allison, Helen Gordon, Susan Morse, Heather Shepley, Jean Taft (ex officio) and Matthew Sutherland. Brittany Lord and The Rev. Deborah Warner will represent the staff.* We will be going forward following the detailed diocesan guidelines so that when we regather in the Stone Church and the Parish and Community Center we will do so in full compliance, based on the safety protocols from the diocesan, state and CDC.

On behalf of the vestry and the parish, thank you very much for your continuing support in this unprecedented time.

- *The Rev. Deborah Warner, Rector*

THANK YOU, Dear Cooper

Dear Friends,

As some of you know by now, on Tuesday, January 26th I made the hardest decision any pet owner has to make. Because of increasing declines in his health and a sudden fall down stairs at the rectory on Monday evening, January 25th, I chose to have my beloved cockapoo, Cooper, put to sleep on the morning of January 26th. Having raised him from an 8 week old puppy, we have spent the last 15 ½ years together. He was my confidant, companion, fellow traveler and beachcomber. He was a most loving presence, teaching me more than anyone before in my life, about unconditional love. He was a wise and gentle teacher. And, as you heard this past October when he shared his understanding of the love of God at our annual Service of the Blessing of Animals, he was a caring and kind preacher.

Many of you have met or heard of him over these past 15 years. I hope and pray that he touched and graced your life – even from a safe distance – as much as he touched and graced mine.

May Cooper and all beloved creatures – great and small – rest in peace even as he and they joyfully and without pain and suffering are reborn in the power of the love of God in eternity.

Gratefully,

Deborah

CONVERSATION ON THE CRISIS OF CLIMATE FEEDBACK LOOPS

Woodwell Climate Research Center has provided a link to the January 9th the Mind and Life Institute's live streamed event of the conversation with leading scientists, the Dalai Lama and Greta Thunberg on the *Crisis of Climate Feedback Loops*, including 5 short films on the feedback loops that are discussed. The link to the films is www.feedbackloopsclimate.com and they are worth watching several times!

A recording of the conversation and another link to the films can be found on their website www.woodwellclimate.org, under the Events heading.

WAYS TO SAVE THE PLANET – Simple Things Can Make a Difference

This Circle Should Be Broken

I always liked the phrase, Let the circle be unbroken. It reminded me of the many cycles in our lives, life cycles, the earth, and even outer space. Circles/spheres are so much a part of nature, flowers, sand dollars, the moon, pearls, berries, the sun, and the pupils of our eyes. They all suggest LIFE.

But there are circles that should be broken! For the safety of our neighboring sea creatures these rings are circles of DEATH! We all are familiar with the danger of those plastic six-pack can carriers and those soda can rings. Sadly, they still turn up on beaches, so are probably in the ocean too. But there are others as well. Please be vigilant and snip those other, perhaps not so obvious circular rings, that can trap marine creatures or disrupt life processes.

Here are some that you may not have thought of:

Milk and cream rings on the cartons or jugs. Cut them

Rubber bands, especially now, on disposable masks. Cut them! So many found on beach! Dispose properly.

Rings that are now on metal cans that open without a can opener.

Tied ribbons that may be ripped off presents without untying. (Which reminds me that we still find lots of balloon and their tied ribbons on the beach. Never buy helium balloons or participate in a balloon launch!)

Get the rings off plastic water bottles. It takes some doing, but maybe you shouldn't buy them anyway!

Bottle caps are usually not recyclable and are ingested by fish and sea mammals.

Cut up those heavy duty plastic bands that come around packages.

Knotted plastic bags break up and make rings. Take home those doggy poop bags! They are routinely found on beaches!!!! (I really want to catch someone doing that!)

Anything that is circular may trap a sea creature. Those plastic rings should probably be discarded in regular trash. They are not recyclable to my knowledge. Neither are gift ribbons as far as I know. So much of America's recycling goes to third-world countries. And what can't be recycled may be dumped in the water allowing all those ringy /circular things to do their damage. Snip any and all plastic circles!

Perhaps we could write to the milk companies to come up with a better way to seal containers, or buy milk in glass containers. West Falmouth and Woods Hole Markets sell milk in returnable glass containers.

Thanks, everyone in advance for breaking up the deadly circles.

I know I am probably preaching to the choir. (No pun intended.)

Sincerely, Maureen Nolan and our sea friends.

LATEST UPDATE ON THE CAPITAL CAMPAIGN

With the completion of the transformation of the First Church to the welcoming and modern new Parish and Community Center, the Capital Campaign will formally end on January 31, 2021, although payments on pledges will continue to flow in. By the end of September 2020, through the generosity of 348 individuals, families and foundations, we raised \$2.428 million against our stretch goal of \$2.5 million. In response to our November 1st letter, as of December 7th, we have donations and pledges from 80 individuals. If contributions continue to come in over the holidays, we will exceed our goal of \$2.5 million and have the funds needed to begin work on handicap accessible pathways to connect the Stone Church and the PCC. If you have not already done so, please remember the Messiah's Capital Campaign in your year-end giving.

A PRAYER FOR OUR PARISH'S MINISTRY

As our capital campaign continues, we invite you to join together in praying the following prayer that was composed by members of the parish and the rector.

O God, Giver of all good gifts,
we thank You for the grace of serving You by serving our neighbors.
May our hearts be kind and generous.
May our ministry be rooted in love and bold in imagination.
Having transformed the Parish and Community Center, may our lives
and the lives of all who join us, continue to be renewed by Your love and the
power of the Spirit. Amen.
